THE NeoTRIPs Consultant Charter

1. Embody the NeoTRIPs ethos of collaboration and inclusivity in research and QI initiatives
2. Behave with respect and consideration for other members of the NeoTRIPs collaborative
3. Adhere to relevant project timelines and escalate early to central committee/ project leads if difficulties arise
4. Declare all relevant conflicts of interest (professional, personal or financial) prior to involvement in projects
5. Ensure the highest standard of professionalism when representing NeoTRIPs at external meetings/ conferences
6. If conflicts arise, agree that the final decision lies with the central committee/ consultant founders

By taking part in a NeoTRIPs initiative it is assumed that you agree and will adhere to the constitution & consultant charter!
