THE NeoTRIPs Resident Doctor Charter

1. I understand I will be agreeing to the NeoTRIPs ethos of collaboration and inclusivity in research and QI initiatives

2. I agree to behave professionally with respect and consideration for other members of the NeoTRIPs collaborative

3. I can expect senior support and guidance/ mentorship from consultants and academics for all NeoTRIPS projects

4. I will be expected to declare all relevant conflicts of interest (professional, personal or financial) prior to involvement in projects

5. I understand that in circumstances where there is disagreement, the central committee/ consultant co-founders will have the final decision

6. I expect to receive training in QI and research through my involvement in NeoTRIPs initiatives

By taking part in a NeoTRIPs initiative it is assumed that you agree and will adhere to the constitution & resident doctor charter!
